

Complaint about facilities in English

(Since all merchant ships calling at the port have an English-speaking captain, a Danish version is unnecessary)

***FORMS FOR REPORTING ALLEGED INADEQUACY OF RECEPTION FACILITIES
FOR WASTE***

The Master of a ship having difficulties discharging sewage to reception facilities should forward the information below, together with supporting documentation, to the harbour office which will send it to the Danish Ministry of the Environment.

1. Country: Denmark

Name of Port: Randers Havn

2. Amount of waste for discharge to facility:

Amount of waste not accepted by facility:

3. Special problems encountered: (e.g. undue dally/inconvenient locality facilities/other)

4. Remarks: (e.g. information received from port authorities or operators of reception facilities)

5. Ship's particulars
